JINDAL MOUNT LITERA ZEE SCHOOL, SUKELI

WELCOME DEAR PARENTS FOR

Pre-Primary Section

**PARENT
ORIENTATION**

The Mission/Vision of JMLZS

- Mount Litera Zee School will provide a complete and unique educational experience for the child, preparing him/her for a successful life in the contemporary society.

- **The vision of Jindal Mount Litera Zee School envisages:**
 - To create an excellent educational institution synthesizing the human values with the highest quality of teaching–learning using modern technology-driven tools for preparing a well-rounded personality for our society.
 - To make children aware of the significance of an eco-friendly environment. To nurture the unique potential in each child.

Our Philosophy

- **At the core of every thing we do at Mount Litera Zee School is one simple principle.**
- **“What’s Right For the Child” (WRFC).**
- **Through that mantra we filter all our decisions and actions.**
- **WRFC helps us keep the child at the center of everything we do and ensures single-minded devotion to his/her growth and development.**

Our Belief System

- 1. Children are not just roll numbers, they are unique individuals.*
- 2. Every child is talented. Schools just need to figure out, where that talent lies.*
- 3. A school's role is developing the whole individual, and not just completing the syllabus.*
- 4. Holistic development needs partnership between schools and parents.*
- 5. School need an integrated approach centered on the child.*

Academic Achievement 2018-19

Pandemic COVID-19

- One of the biggest challenges for parents under the lockdown is to keep their kids engaged and feeling upbeat.
- We are all in an unfamiliar situation and have no clue of how to deal with it.
- In this Coronavirus pandemic, parents shouldn't be on keeping their children engaged and motivate them to keep learning, but to keep them happy and focus on their mental well-being, amidst rising anxiety and isolation.
- Kids are probably picturing a fun time like summer break, not the reality of being trapped at home and not seeing their friends.
- Due to COVID-19 lockdown situation school will remain closed until Government Issue reopening order.

Pandemic COVID-19

- We are going to post worksheet and study material through WhatsApp group for your child so that they can sit at home and continue with their studies in lockdown situation.
- We hope that you too will support us by getting the worksheet/assignments done.
- A video will be provided based on the topic along with the worksheet.
- They should solve the worksheet in any book or on a sheet of paper and send the picture of the worksheet done through WhatsApp.
- Students should use Saturday and Sunday for their self-study and extra-curricular activities.
- Parents need to take extra writing practice in notebook or blank sheet based on the worksheet given to the children.

Pandemic COVID-19

- The school is sharing e-learning package (link) for Nursery, JR.KG & SR.KG grade.
- The package (link) will give you a 10 day (2 weeks beginning on a Monday) plan of action for co curricular and curricular activities.
- The co curricular link has a pdf document that has a set of guidelines against the value of each session the child experiences right through the day.
- The curricular activities are based on the curriculum.
- The parenting link has articles and guidelines on parenting.
- In many activities video are been attached to understand the concept easily.
- Worksheet are also been provided to enhance the skill among children.

Pandemic COVID-19

- A set of instructions is provided in each pdf for how the activity is to be conducted.
- The activities are all age appropriate and it fulfill the needs of the age groups that we cater to in the preschool sector.
- This is a novel concept of getting the child engaged in a fruitful structured way of life with fun and enjoyment.

Parent On Campus Policy

- We strongly believe that Holistic Development of students is based on 4 pillars Student, Parent, Teacher and School.
- To further strengthen the bond of all stake holders, we hereby, introduce the “Parent On Campus” policy.
- In short, Everyday one parent present in the school campus before the start of the school till the end of the school.
- This will not only enhance the trust between parents and school but will prove to be an important step towards fostering a relationship of confidence.
- This is an effort to supplement and re-enforce our commitment to provide Safe and Secure Environment and to make parents as Partners in our endeavor of imparting Holistic Quality Education.
